Release Notes for October 30th, 2020

FMCSA quietly released version 3.11 of the CSA methodology when they updated their site on 10/9.

- Per the description of the change in the SMS methodology document, "The changes included adding 63 violations, removing 4 violations, and updating the descriptions of 34 violations. "
- After our corresponding release, clients may notice a small uptick in any of the following BASICS
 - Unsafe
 - HOS
 - Fitness
 - Vehicle
- If you want to learn more about the impact on your BASICS, please reach out to your Client Success Manager and they will be able to tell you.
