

## Release Notes

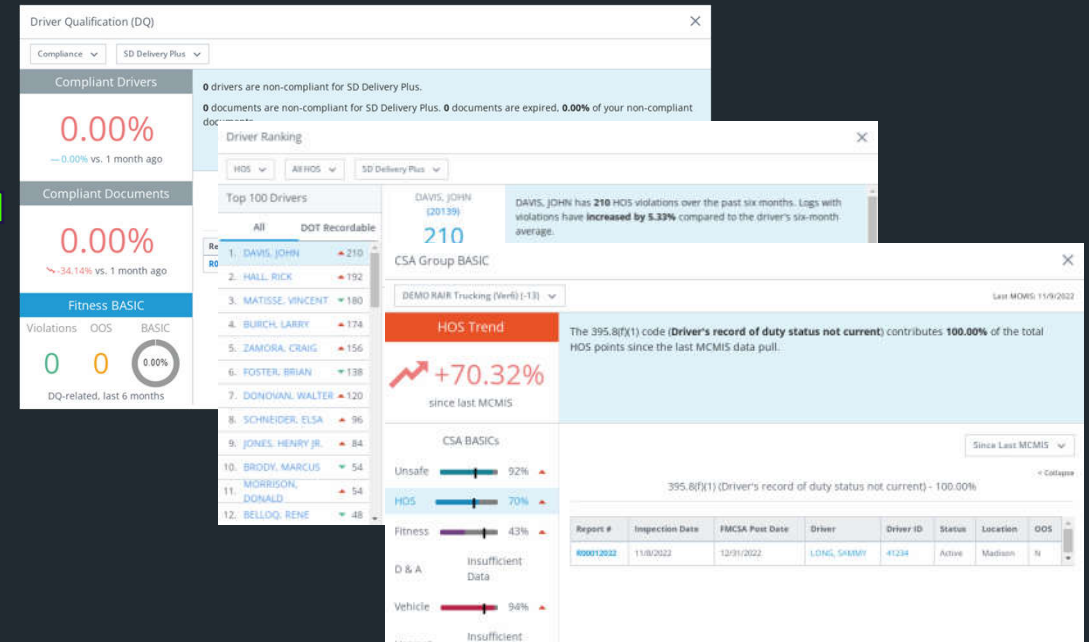

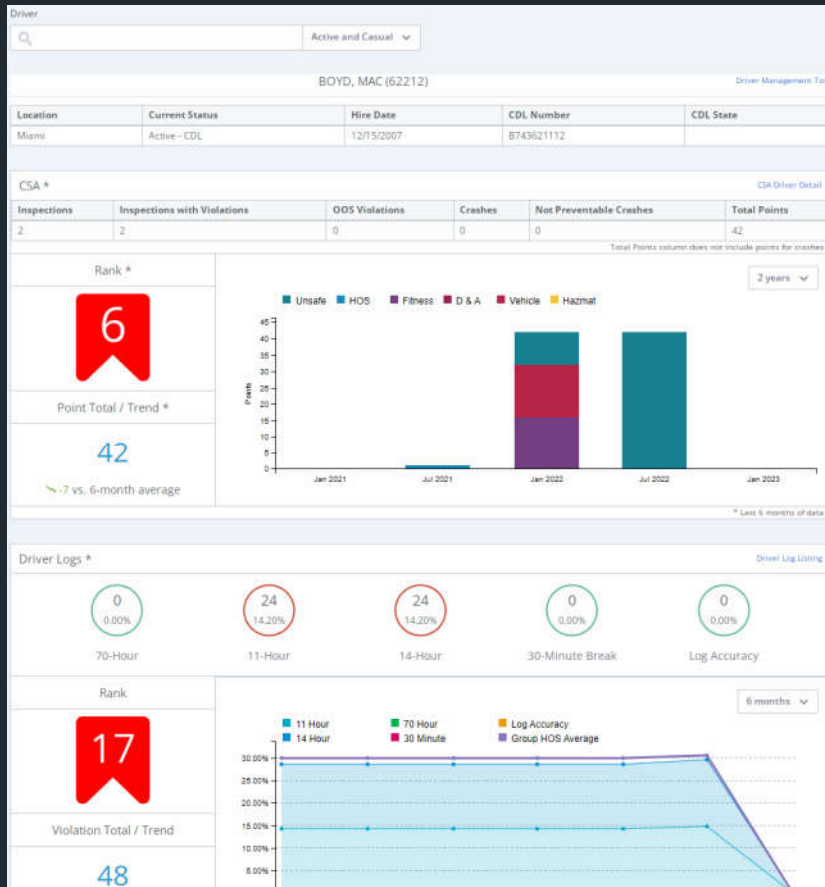

01/06/2023

# Dashboard Integrations

- Links are now available between the Program and Driver dashboards. Any reference to a driver's identification number will now link to their holistic dashboard overview.

- Program Dashboard cards enhanced:

- Driver Ranking
- Location Ranking – Graph drill-down
- HOS Violations – HOS Basic section – Graph drill-down
- CSA Group Basic – HOS Basic – Violation code drill-down
- Driver Qualification (Compliance Mode)
  - Compliant Drivers section – Non-Compliant Drivers (Current)
  - Fitness Basic – Graph drill-down
- Driver Qualification (Expiring Mode)
  - Drivers with Expiring Docs – Drivers with Documents Expiring within 30 Days (Current)
  - Future Impact section

# CSA - Roadside Inspection Report Viewer

- The Roadside Inspection Viewer was updated to handle documents that contain multiple pages when accessed from any applicable report.
